Community Recreation Director Jessica Bettorf reported that she went to Deadwood and Sturgis last Wednesday to meet with their community recreation directors to see how they run their centers. It was helpful to talk to other directors and get ideas and hear their point of view on how they run things. She has been working on putting together folders containing information and her mission statement that she will be able to hand out to people. She is working on a webpage, as well as, a Facebook page to get information out to the community. She has been meeting with Superintendent LaCroix, the activity directors, and a couple of the leadership team members to go over schedules and to make sure everyone is on the same page. She has created a survey that she will pass out during parent/teacher conferences next week, and then take to different businesses to get a generalized idea of what people are looking for and what they feel needs to be improved on.

Chairman Chick adjourned the Recreation Board meeting at 9:02 pm.
