

PRESS RELEASE

Weston County School District #1 has been notified by public health officials that a member of the Newcastle Middle School student body has tested positive for the coronavirus. School district personnel are working with state and local health officials to determine the potential exposure of others to the COVID-19 virus, and what additional steps may have to be taken moving forward.

WCSD #1 will provide updated information as it becomes available, and will announce any actions that need to be taken in regards to schedules or activities as more becomes known.
